MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Approving Authority for Temporary Duty Beyond 180 Days

REFERENCE: A. Regulation [REDACTED] Paragraph c (5)
B. Regulation [REDACTED]

25X1A

1. This memorandum contains a recommendation for DD/S approval. Such recommendation is contained in Paragraph 3.

25X1A

2. Under the authority granted in Paragraph c (5) of Regulation [REDACTED] I have been approving temporary duty extensions beyond 180 days for those personnel who, because of the duration of training or any other unusual condition, are required to remain in an extended temporary duty status. Regulation [REDACTED] which superseded and rescinded Regulation [REDACTED] Paragraph c (5), does not cover this point of authorization. It is my understanding that prior to [REDACTED] any additional requests for extensions, the Chief, Finance Division should be advised that such approving authority has been delegated to the Director of Communications for communications personnel.

25X1A

3. In view of the foregoing, it is recommended that the Director of Communications be delegated the authority for approving extensions of temporary duty in excess of 180 days.
